Music & Me Preschool
Registration

Name of Child: _____ Age: _____ DOB: _____

Parent or Guardian Name: _____

Address: _____

Phone (where you can be reached during class): _____

e-mail address: _____

Will you be paying monthly(\$60/month Jan-April) or One time (\$200)?

Any special instructions or information about your child. (Allergies, illnesses, or anything that would be helpful as their teacher!)

How did you hear about the program? _____

Who will be picking up and dropping off your child? _____

Parent's Signature: _____

General Information about Preschool Classes

Pick up & Drop Off: Please come inside to pick up your child, and don't be offended if we ask for ID if someone new picks up your child! We want to keep our little ones safe! We also strongly encourage you to come inside to drop off your child as well.

Parents: If your child is 2, please attend the class with them, this helps create a safe environment! If your child is older than 2, feel free to stay if you wish! Then you will learn the songs to practice at home! If you come please participate! Children who sometimes are unresponsive in class will actually take what they learn and practice it at home more freely, this is normal! One last thing, if you do participate in the class with your child, focus on your child, and please don't chat with other adults during class. If your child occasionally roams, that's okay and normal for toddlers/preschoolers, you or I will just occasionally invite them back to class!

What will classes look like? In general the classes are divided like this:

Pitch exploration (learning about what our voices can do)

Song Fragments (echo songs, call and response)

Simple Songs (teacher sings and students learn motions, then students will do both in later lessons)

Movement Exploration (warm up for movement section)

Movement for Form and Expression (Fingerplays, action songs, and circle games)

Beat Motions (Songs and Rhymes to develop rhythm and beat)

Song Tales (Basically song stories to finish up the class!)

I love teaching children! Thank you for sharing yours with us. I am excited to expose your children to music and develop a love of learning and music that will benefit them throughout their life! -Kathryn Bircher
