

WHAT TO DO IF YOU HAVE TO CANCEL A LESSON

1. **CALL** or **TEXT** YOUR TEACHER :-)
2. We often do not answer the business line.
3. Cheryl is teaching most of the time and does not like to interrupt her current lesson to answer the phone.
4. Email is "if-fy" at best for cancellations. Teachers may not have had time to check email on that day.

Please take the time now to save your teacher's number.

(This helps both of us! Thank you!)
